This farm house is in the middle of a working farm. The house has had a number of improvements in recent times. There is flexibility in the use of rooms so it can be four bedrooms or two living rooms one with an open fire, the other with a combustion heater and r/c air con. The garage has a fully lined hobby/rumpus room, with 3.5 kw of solar power system on the roof to help with the power costs. In the kitchen are is a combustion stove which hasn't been used recently plus an electric stove and generous storage. There is a second toilet off the verandah. Water is supplied from rain stored in several tanks and garden water from a dam. Application before inspection. NB; there are no paddocks for horses or the like.
