## VENDORS VERY MOTIVATED, HAVE PURCHASED A PROPERTY.

The vendors have purchased a retirement property, very motivated to sell. First up best dressed. This is stunning property with its gentle undulation, strategically located dams and now mature shelter belts that have created habitat for fauna and shelter for livestock. There is an all weather access road through the middle of the property. The original part of the homestead has 3 metre ceilings and double brick walls. Additions have created the open plan living-kitchen-dining area with r/c air conditioning and a combustion heater. The renovated kitchen has all the usual appliances. There is a large deck and back verandah that is connected to the double carport. There is approx 3 kw of solar power. The working improvements are the workshop of 16m x 15m, hay shed 40m x 25m that holds 80 rolls, steel cattle yards with under cover crush. Water is a feature of this farm with a large dam and several smaller ones, for stock and garden, tanks for rain water and the eastern boundary is the Hollands Creek. There is a 13 ha stand of lucerne which is usually cut twice a year. The farm is subdivided into 5 main paddocks and 3 small ones with laneways for easy stock movement. There are 2 titles.
